CREATE A FORM

A form is created with name “Medicine reminder”

To enter the details

The screenshot shows a web browser window with the address bar displaying the URL: `medicine-reminder.au-syd.mybluemix.net/ui/#/!0?socketid=XO2mxAzfU_7HhgpUAAAd`. The browser's address bar includes navigation icons (back, forward, refresh) and a status bar on the right with a lock icon, a star icon, a square icon, a blue circle icon with a white 'A', and an 'Error' button.

The main content area of the browser has a purple header bar with the text 'Medicine Reminder'. Below this header, there is a white form titled 'ADD A MEDICINE TO THE PILL BOX'. The form contains three input fields: 'Medicine *', 'Time *', and 'Date *'. The 'Time *' field has a clock icon to its right, and the 'Date *' field has a calendar icon to its right. At the bottom of the form, there are two purple buttons: 'SUBMIT' and 'CANCEL'.
